**Issuing Department:**

Product safety – Christlorenz Bundi  
Mail: Christlorenz.bundi@contecfiber.com

---

We confirm that our products are not labeled as microplastics according to the definition of EC 1907/2006 Annex II point 78.

Our products are not declared as microplastics because the fibers are always longer than 15 mm and the ratio of diameter to length is always greater than 3.

We will inform all customers to whom we supplied such products within the last twelve months immediately in the case of any changes in this matter.
